

Child Development Laboratories COVID Protocol

(Based on guidance from State Licensing, MDHHS, and CDC)*

For those who are infected/diagnosed with the COVID-19 virus:

- Report to Haslett or East Lansing CDL office if you have tested positive (per our state licensing requirements)
- Stay home until you are fever free (without use of medication) for 24 hours and your symptoms are improving (feeling better). Then return to school
- Take added precautions for the next 5 days after positive test (wear a mask, etc.) while at school

Respiratory Virus Guidance Snapshot

Core Prevention Strategies

Immunizations

Hygiene

Steps for Cleaner Air

Treatment

Stay Home and Prevent Spread*

Additional Prevention Strategies

Masks

Distancing

Tests

*Stay home and away from others until,

and

Your symptoms are getting better

You are fever-free (without meds)

for 24 hrs

Then take added precaution for the next 5 days

Layering prevention strategies can be especially helpful when:

- ✓ Respiratory viruses are causing a lot of illness in your community
- ✓ You or those around you have risk factors for severe illness
- ✓ You or those around you were recently exposed, are sick, or are recovering
