Child Development Laboratories - East Lansing Campus

Child Development Laboratories - Haslett Campus (please complete Haslett Public Schools form to conduct research at this site)

What is the purpose of your research (100 words or less)?

Describe the progression of your study.

Who will be involved? Examples include teachers, children, and families. Use one cell for each category of participants.	What will participants do? Please include names of specific measures and the number of times that each will be completed. If the study is observational only, please note that. <i>Note:</i> Our goal is to limit time that children spend out of the classroom to 30 minutes or less per testing session.	How long will participants need to complete these tasks? For observational studies, note the length of time needed for each observation.

Do you need additional resources from the CDL? Yes No
 (Examples: data from our ongoing assessments, use of observation booth, research areas, etc)

If yes, please describe.

Have you received funding for this research? Yes No

If yes, what was the funding agency?

Note that you will need to submit a stamped consent form from MSU's (or another academic institution) Institutional Review Board (IRB) before beginning your research project. In addition, you should provide a copy of all relevant survey materials and letters to participants (i.e., to children and families). You will also need to provide the names of any data collectors not employed by the Child Development Laboratories and attain appropriate clearances for these personnel.

If you have any issues submitting this application electronically, please contact Dr. Sarah Douglas (sdouglas@msu.edu) and/or Laurie Linscott (linscott@msu.edu) for assistance.
