

## MSU CDL PARENT COUNCIL - FEBRUARY NEWSLETTER

### The Mission of the CDL Parent Council:

Our mission as the Child Development Labs Parent Council is to promote family involvement in their child's socialization and education experience.

## Hello MSU CDL Families!

The Parent Council is gearing up for our 14th Annual Family Fun Night, which is held at the Impression 5 Science Center in downtown Lansing. It is an educational as well as fun time for families and friends to spend together. Enjoy the interactive displays at the museum, and check out the silent auction with great items from popular local businesses. All proceeds from the silent auction benefit our school by funding enrichment activities chosen by teachers such as special speakers in the class rooms, field trips, and more. We hope you'll join us at this FREE family event, and come hungry, there will be food!
